

FORM. II

**TRIPURA HUMAN RIGHTS COMMISSION
KUNJABAN, AGARTALA**

Complaint No. 66 of 2023

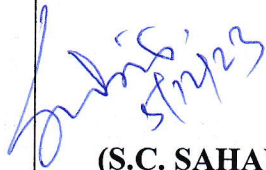

ORDER SHEET

Sl.No.	DATE	ORDER	NOTE
04	05.12.23	The Commission in its past order dated 30.08.2023 has asked I.G. Prisons to send reports on nine particular items but out of those nine items only item no. 1, 2 & 3 are received. Even item no. one i.e detail report which has been submitted is sketchy and has no details as to how and why the UT prisoner had fallen from the 1st stair. Postmortem has been done over the dead body but the report of final cause of death based on scientific examination of viscera report has not been sent as yet. The letter of one Anupam Chakraborty from the office of I.G. Prisons dated 30.11.2023 shows that they have not yet received Magisterial Inquiry report and the final PM report with cause of death. He has sent copies of some letters one of which is a letter of HOD Forensic Medicine and Toxicology of AGMC & GBP Hospital which is confusing. In one place it is mentioned that viscera has been preserved for chemical examination of poisoning or intoxication and in another place it is mentioned that no viscera sample were preserved for histopathological examination.	

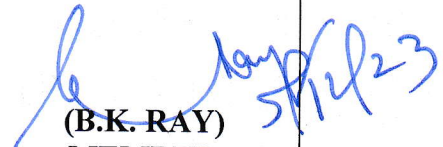

Be that as it may, I.G. Prisons is directed to collect the final PM examination report with cause of death as well as Magisterial Inquiry report in connection with the UD case and to submit the same before the Commission positively before next date.

List it after four weeks.
