ORDER SHEET

Complaint No. 52 of 2022

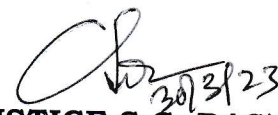

S.L	DATE	ORDER	NOTE
03	30.03.23	Record is placed today on receipt of an application filed by Sri Uttam Das, Advocate, Tripura Bar Association seeking clarification about some matter. He stated in his petition that once he filed an application before the THRC on 28.11.2022 against Devlok Hospital (Nursing Home) and his case was dismissed as per Regulation 9 (e) of THRC Regulation 2022. He further states that the THRC in another occasion took suo motu cognizance vide complaint No. 2 of 2023, issued notice to Airport Authority, Agartala on the ground that in a democracy in every organization / authority has to work according to law. Collection of fees/charges at the whims of any private organization violates human rights. contd..P/2	

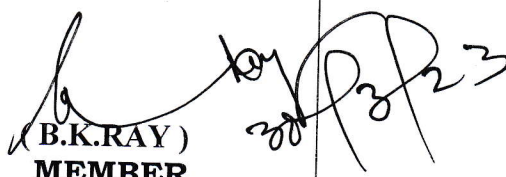

Devlok Hospital (Nursing Home) is a private nursing home and so there was no any involvement of public servant or public authority. Whereas the MBB Airport, Agartala is not a private organization but a statutory authority under the Government.

As such, it appears that the complainant has failed to understand the difference between private nursing home and an authority under the Government. We find no merit in the petition.

Accordingly the petition is disposed of.
