

FORM. II

**TRIPURA HUMAN RIGHTS COMMISSION
KUNJABAN, AGARTALA**

Complaint No. 26 of 2022

ORDER SHEET

Sl.No.	DATE	ORDER	NOTE
10	17.03.23	The letter of respondent Mr. Krishanu Dey dated 15.03.2023 is placed before the Commission. He was issued show cause notice to submit his response and in reply to that he sought time to redress the grievances of the complainant and to mitigate the matter. On the request of the respondent the Commission allowed him time and to settle the matter by today. The respondent failed to mitigate the matter as proposed by him and also failed to submit show cause reply. By writing letter dated 15.03.2023, he has made a most undesirable and un-law full request stating that he meet D.M & Collector, Khowai and that DM & Collector Khowai directed him to request the Commission to direct the complainant to appear before the DM & Collector. It is quite surprising that while the respondent sought time to mitigate the issue or to submit show cause reply before the Commission, he has submitted letter before the Commission to direct Bikash Chanda to meet DM & Collector. DM & Collector has no authority to ask anyone to request the Commission for issuing notice to appear before him. If it is so happened we will issue notice to the DM & Collector	

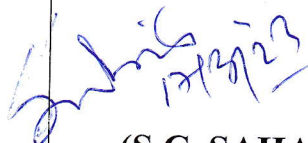

to appear before the Commission and justify his /her conduct.

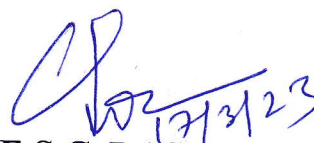

By writing this letter, the respondent has grossly misused the opportunity allowed by the Commission and has made a derogatory request which is rejected at the threshold. It seems, the respondent simply buyed time before the Commission taking a plea to mitigate with the complainant.

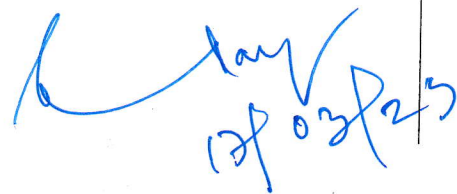

Since the respondent failed to submit his reply in response to notice even after repeated chances, it is presumed that he has nothing to say about the complaint.

So, list it after two weeks for final consideration.
