ORDER SHEET

Sl.No.	DATE	ORDER	NOTE
07	18.07.23	Md. Muslim Shiek, a Bangladesh national, while was detained in Kendriya Sansodhanagar, Bishalgarh in connection with criminal case fallen ill and died on <u>09.01.2023 at 3:50 AM</u> at AGMC & GBP Hospital while undergoing treatment. Since it was a case of death of UT prisoner, cognizance was taken by the Commission to examine the circumstances under which the UTP died. I.G. Prisons was directed to submit all required report to the Commission to facilitate disposal of the matter. Except the final PM report, all others relevant reports have been received in the meantime. The Medical Superintendent of AGMC & GBP Hospital was asked to submit the final PM report to which the Medical Superintendent reported that viscera were collected,	

preserved and handed over to I/O for chemical analysis and submission of report to the hospital which is inevitable to submit final PM report.

It is found on records that after the death of Muslim Shiek, GB TOP GD entry no. 03 date 09.01.2023 was made and WSI Amita Tripura of GB TOP conducted the preliminary investigation in respect of the death of Muslim Shiek.

It is not understood why the police officer investigating the U.D. case in connection with the GB TOP GD entry has not yet collected the viscera examination report from SFSL, Narshingarh and not submitting the same to the Medical Superintendent for submission of final PM report.

Papers before us shows that after the death of Muslim Shiek Bishalgarh PS U.D. case no. 2023BLG004 dated 29.01.2023 U/S 174 of Cr.PC was registered.

As it appears, one ASI Pradip Nowatia of Bishalgarh PS reported I.G. Prisons that the viscera were sent to TSFSL, Narshingarh.

Either the report has been collected by the police officer
