Sl.No.	DATE	ORDER	NOTE
01	05.08.24	<p>The complaint submitted by Sri Bibak Lodh S/O Badal Lodh of Keshav Sangha, Badharghat, Agartala, West Tripura has been placed before the Commission.</p> <p>It is inter alia alleged in complaint that Sri Lodh is physically disabled to the extent of 80 % and suffering from Spinal Muscular Atrophy (SMA) and that he cannot survive without the help of others. His family consists of his father, mother and sister. His father is a TSR personnel and was posted in the office of DIG, located near T.V. Centre, Badharghat and all his personal needs including attending the toilet, bathroom etc. used to be served by his father. After the father has been transferred to Ambassa his personal life has been shattered. His mother and sister cannot take him to washroom etc. He made prayer to C.M, Tripura seeking protection of his rights and for posting of his father nearby and that thereafter a team of TSR personnel visited his house and took a note of the situation. The petitioner therefore prayed for protection of his right as a disable person and prayed for intervention.</p> <p>As it appears, the petitioner has already approached the head of the Govt. and it seems that TSR authority has met him and collected video of his physical position. The</p>	

petitioner approached this Commission to inquire in the matter which does not come under the purview of the jurisdiction of the Commission and hence Commission cannot interfere and initiate an inquiry into the matter.

It is expected that appropriate authority will look into the matter and take appropriate step in accordance with law.

With this observation, the complaint filed by the Sri Bibak Lodh stands disposed of.
