The Commission is not satisfied about the report, as no clear picture was given in respect of many aspects. A bare perusal of the report shows that when on information one ASI was sent in the actual place of occurrence of the incident in the house of Sri Sankar Karmakar, said ASI witnessed the incident of manhandling. It is also not clear how the victim Abhijit was taken to that house. It is also not clear when police rescued the victim Abhijit while he was manhandled, why immediate treatment of the victim was not arranged by police. Report also shows that police waited up to 2340 hrs for lodging an FIR by the house owner Sankar Karmakar and thereafter showed arrest of victim. Medical examination of the victim was done at Tripura Sundari Sub-Divisional Hospital and on the following date, he was discharged by the Medical Officer and thereafter he was produced before the court and court granted bail and immediately after release from court, his relatives took him to TSSD Hospital again from where he was referred to AGMC & GBP Hospital and on the</p>	

following date Abhijit expired. It is not clear why Medical Officer discharged him when on the same date the Medical Officer had to refer the patient to AGMC & GBP Hospital where he died on the following date.
