

**FORM. II****TRIPURA HUMAN RIGHTS COMMISSION  
KUNJABAN, AGARTALA****Complaint No. 88 of 2024****Complainant of Sri Asish Kumar Saha, President,  
Tripura Pradesh Congress Committee****ORDER SHEET**

<b>Sl.No.</b>	<b>DATE</b>	<b>ORDER</b>	<b>NOTE</b>
<b>01</b>	<b>22.11.24</b>	<p>Received a complaint through e-mail sent by Sri Asish Kumar Saha, President, Tripura Pradesh Congress Committee, wherein it is alleged that human rights are grossly violated at Gandacherra, Kaitaraibari and Kadamtala etc. and therefore, made a request to take effective and fruitful measures to stop violation of human rights.</p> <p>The Protection of Human Rights Act, 1993 empowers the Commission to take cognizance of occurrence / incident of violation of human rights if it is alleged and found by the Commission that human rights of a person as defined in Section 2 (1) (d) of the Protection of Human Rights Act is violated by a public servant as prescribed in Section 12 of the Act.</p> <p>In the letter sent by Sri Asish Kumar Saha, President, TPCC there is no mention as to who has violated the human rights and of whom as well as in what manner. In the absence of any specific mention of the fact that human right is violated by a public servant or that such violation is abated by any such public servant or that any public servant is found negligent in preventing the violation of human</p>	

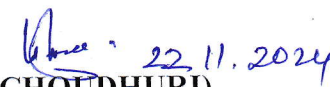

rights, the Commission's jurisdiction does not extend.

Further, Regulations 9 (e), (f) prescribe that the Commission may dismiss the complaint in limine, if the complaint does not disclose as to against which public servant allegation is made and there is no specification about the violation of human rights.

There is a bold statement in the complaint that effective action has not been taken by the Commission to protect the people, which seems to be vague and baseless. The Commission deals with the cases of human rights violation in accordance with law, whenever it is brought to the notice of the Commission.

In view of the discussion made above, there is no evidence to take cognizance on the basis of the letter dated 21.11.2024 and no action is thus initiated.
