KUNJABAN, AGARTALA****Complaint No. 19 of 2025****Complainant: Sankar Prasad Acharjee****ORDER SHEET**

Sl.No.	DATE	ORDER	NOTE
01	12.02.25	<p>Received a complaint from one Sankar Prasad Acharjee S/O Lt. Usha Ranjan Acharjee of Jagatpur, Abhoynagar having Mobile No. 8837200459 wherein the complainant alleged that his son Rahul Acharjee committed suicide on 31.01.2025 being failed to bear physical and mental harassment. But police did not arrest the offender and accordingly, he approaches this Commission so that police took initiative to arrest the offenders responsible for the death of his son. Along with the complaint he enclosed a copy of an information of the death of his son addressed to officer In-charge of NCC PS which was dated 09.02.2025. Subject matter of that enclosed documents was mentioned as FIR. But in the context there is no specific allegation in respect of any cognizable offence. It appears that the complainant suspected that his son committed suicide due to some direct inducement and physical and mental torture on his son by one Partha Saha, in whose shop, his son was an employee. The name of the shop was 'Saha Communication'. It was also mentioned that his son was blamed as 'thief' in respect of cash of that shop and his son was assaulted and also abused and his mobile was forcibly</p>	

taken away by said Partha Saha. As per the contents of that alleged FIR on 31.01.2025 when his son did not return in the house at about 9:30 PM, information was given to NCC PS and on that very date at about 10:50 PM NCC PS received information that in the opposite side of one Shyamalima Apartment beside ILS Hospital dead body of his son was recovered and on information complainant and his wife also rush there and found his son hanging tying with rope and the complainant firmly suspected that his son committed suicide due to torture and false accusation of thief made by Sri Partha Saha.

It was also alleged that in the shop of Partha Saha there are 7/8 CCTV cameras and Sri Saha would try to remove video footages and would also delete the video footage of the mobile of his son. He mentioned the mobile number of his son as 8729882478. It is also mentioned that Partha Saha is a powerful and reach person in the locality. On the other hand complainant belongs to poor section of the society and complainant considers that impartial inquiry /investigation might be hampered and prays before this Commission to ensure impartial investigation in respect of death of the deceased.

Neither the complaint nor the enclosed documents, prima facie, supports the Commission of a cognizable offence. Since it is clear that the dead body was recovered by the NCC PS definitely there will be some entries in NCC PS and the PS might have started an inquiry proceeding to know the actual cause of the death of the deceased.

In view of the allegation of the complainant, before taking cognizance on the matter the Commission considers it appropriate to obtain a report from the DGP, Tripura as to the incident. So the Commission direct the DGP, Tripura to submit a report in respect of death of the son of the complainant and for that purpose the complaint petition along with the enclosed documents shall be sent to the DGP, Tripura.

DGP, Tripura is to complete the investigation and to submit the report within three weeks.
