Complaint No. 30 of 2025
(Complaint by one Manjur Habib Gulzar).

ORDER SHEET

SL. No.	Date	Order	Note
01	10/03/2025	<p>Received a complaint filed by one Manjur Habib Gulzar, S/o Abdul Latif of Dasgram, P.S. Nilambazar, North Tripura, having mobile number 7002619326, wherein the complainant sought for justice and adequate compensation in respect of Arson incident occurred in the night of October 6/7 of 2024. It is alleged in the complaint that the said incident had occurred during imposition of curfew and deployment of large number of police force. But the authorities failed to uphold their duty to maintain law and order. During that period, mobs looted shops homes, stole business goods and set the properties on fire. Shockingly, those crimes took place in presence of senior government officials, including the SDM and SP and large number of armed personnel at Kadamtala Bazar. No decisive action was taken to stop the violence. That inaction raises serious concerns about law enforcements commitment to protect citizens. The complainant urges the commission to</p>	

investigate the matter thoroughly and hold those officers responsible and accountable.

The complainant claims that he was running a retail variety store at Kadamtala Bazar. During the recent curfew, miscreants broke into his shop, looted all the goods, and set fire to his warehouse, which was located near a Masjid. That devastating incident completely destroyed his warehouse, resulting loss of essential documents, stock, business items, and crucial bank and business papers.

The complainant claimed that he sustained total loss of Rs.18,00,000/-. He had taken a loan of Rs.5,00,000/- from his relatives and have outstanding dues of Rs.7,00,000 to his goods suppliers.

But despite his severe setback, the Government had granted him compensation only for Rs.30,000/-, which was extremely inadequate and did not cover even a fraction of his loss. Thus, he prays before the Commission to intervene into the matter and to ensure fair compensation for his losses.

The perusal of the complaint shows that the shop of the complainant was burned down by some miscreants during imposition of curfew and as such he was prevented to take adequate measures to stop the Arson

incident. He also alleges in-action of the Government agencies to protect his shop. Thus, the complaint shows violation of his Human Rights to live with dignity and thus, cognizance of this matter is taken.
