Kadamtala, North Tripura, having mobile number 9436173800, wherein the complainant sought for justice and adequate compensation in respect of arson incident occurred in the night of October 6/7 of 2024. It is alleged in the complaint that the said incident had occurred during imposition of curfew and deployment of large number of police force. But the authorities failed to uphold their duty to maintain law and order. During that period, mobs looted shops homes, stole business goods and set the properties on fire. Shockingly, those crimes took place in presence of senior government officials, including the SDM and SP and large number of armed personnel at Kadamtala Bazar. No decisive action was taken to stop the violence. That inaction raises serious concerns about law enforcements commitment to protect citizens. The</p>	

complainant urges the Commission to investigate the matter thoroughly and hold those officers responsible and accountable.

The complainant claims that he was running a grocery shop at Kadamtala Bazar. On October 7, 2024 at noon, some miscreants entered into his shop and looted all the goods and set the premises on fire. Everything was destroyed, including his business stock, essential documents, and bank papers. He claims that he has sustained total loss of Rs.60,00,000/- . He also claims that he has taken several loans, such as:

1. Rs. 7,95,701/- from Bandhan Bank
2. Rs.7,89,354/- from Bajaj Finance
3. Rs. 8,02,140/- for a loan vehicle.
4. Rs.15,75,000/- from his relatives.
5. Rs.18,75,000/- outstanding debt to suppliers.

These loan had put him under immense financial strain, making it impossible to support his family or repay his debts.

Despite this hardship, the State Government had only granted compensation of Rs.50,000/-, which was extremely inadequate and did not cover even a fraction of his loss. Thus, he prays before the

Commission to intervene into the matter and to ensure fair compensation for his losses.

The perusal of the complaint shows that the shop of the complainant was burnt down by some miscreants during imposition of curfew and as such he was prevented to take adequate measures to stop the Arson incident.
