**Complaint No. 28 of 2025**  
(Complaint by one Burhan uddin).

**ORDER SHEET**

SL. No.	Date	Order	Note
01	10/03/2025	<p>Received a complaint filed by one Burhan Uddin, S/O. Majar Ali of Ichailalcherra, P.O. &amp; P.S. Kadamtala, North Tripura, having mobile number 6009289045, wherein the complainant sought for justice and adequate compensation in respect of arson incident occurred in the night of October 6/7 of 2024. It is alleged in the complaint that the said incident had occurred during imposition of curfew and deployment of large number of police force. But the authorities failed to uphold their duty to maintain law and order. During that period, mobs looted shops, homes, stole business goods and set the properties on fire. Shockingly, those crimes took place in presence of senior government officials, including the SDM and SP and large number of armed personnel at Kadamtala Bazar. No decisive action was taken to stop the violence. That inaction raises serious concerns about law enforcements commitment to protect citizens. The complainant urges the Commission to</p>	

investigate the matter thoroughly and hold those officers responsible and accountable.

The complainant claims that he was running a grocery shop at Kadamtala Bazar. On October 7, 2024 at noon, a large group of miscreants came from Dharmanagar, being armed with sticks, stones, and sharp weapons. They attacked and vandalized the houses and shops of Muslim families in the area. During attack, his shop was completely ransacked, grocery items were looted, and all his furniture were destroyed. He claims that he sustained total loss of Rs. 10,00,000/-. The complainant further claims that he is the sole breadwinner of his family. Despite this heavy financial burden, the State Government had only granted compensation of Rs. 50,000/- which was extremely inadequate and did not cover even a fraction of his loss. Thus, he prays before the Commission to intervene into the matter and to ensure fair compensation for his losses.

The perusal of the complaint shows that the shop of the complainant was completely ransacked, grocery items were looted by some miscreants during imposition of curfew and as such he was prevented to take adequate measures to stop the arson incident. He also alleges in-action of the Government agencies to protect his shop.

Thus, the complaint shows violation of his Human Rights to live with dignity and thus, cognizance of this matter is taken.
