Kadamtala, North Tripura, having mobile number 8132022039, wherein the complainant sought for justice and adequate compensation in respect of Arson incident occurred in the night of October 6/7 of 2024. It is alleged in the complaint that the said incident had occurred during imposition of curfew and deployment of large number of police force. But the authorities failed to uphold their duty to maintain law and order. During that period, mobs looted shops homes, stole business goods and set the properties on fire. Shockingly, those crimes took place in presence of senior government officials, including the SDM and SP and large number of armed personnel at Kadamtala Bazar. No decisive action was taken to stop the violence. That inaction raises serious concerns about law enforcements commitment to protect citizens. The</p>	

complainant urges the Commission to investigate the matter thoroughly and hold those officers responsible and accountable.

The complainant claims that he was running a grocery shop at Kadamtala Bazar. On October 7, 2024 at noon, during the curfew miscreants broke into his shop and looted all the grocery items, business goods, and essential documents. Along with his stock, he also lost critical items such as a refrigerator, utensils, furniture, his trade license, business-related documents, and bank papers. The complainant further claims that he is the sole breadwinner of his family. The total financial loss he had incurred amounting to approximately Rs.20,00,000/-. He had taken a loan of Rs.1,50,000/- from Bandhan Bank, borrowed Rs.5,00,000/- from his relatives, took a loan of Rs.60,000 from Sister Mashala. He has outstanding debt of Rs.5,00,000/- to his goods suppliers. Despite this severe setback, the State Government had only granted compensation of Rs.30,000/-, which was extremely inadequate and did not cover even a fraction of his loss. Thus, he prays before the Commission to intervene into the matter and to ensure fair compensation for his losses.

The perusal of the complaint shows that the shop of the complainant was burnt down by some miscreants during imposition of curfew and as such he was prevented to take adequate measures to stop the Arson incident. He also alleges in-action of the Government agencies to protect his shop. Thus, the complaint shows violation of his Human Rights to live with dignity and thus, cognizance of this matter is taken.
