Kadamtala, North Tripura, having mobile number 9862522613, wherein the complainant sought for justice and adequate compensation in respect of arson incident occurred in the night of October 6/7 of 2024. It is alleged in the complaint that the said incident had occurred during imposition of curfew and deployment of large number of police force. But the authorities failed to uphold their duty to maintain law and order. During that period, mobs looted shops homes, stole business goods and set the properties on fire. Shockingly, those crimes took place in presence of senior government officials, including the SDM and SP and large number of armed personnel at Kadamtala Bazar. No decisive action was taken to stop the violence. That inaction raises serious concerns about law enforcements commitment to protect citizens. The complainant urges the</p>	

Commission to investigate the matter thoroughly and hold those officers responsible and accountable.

The complainant claims that he was running a retail and wholesale business at the name of *Alam Cycle House* on Dharmanagar Road at Kadamtala Bazar, next to Kalibari, since 2007. On October 7, 2024 at noon, a large group of miscreants entered into his shop and two godowns, looted all the goods, and later set the premises on fire. As a result, his entire shop, including important business documents, bank papers, and stock, was completely destroyed. The complainant has urged that he sustained total loss of Rs 30,00,000/-.

The complainant further claims that he had taken a loan of Rs.9,70,000/- from bank, Rs. 3,50,000/- from his relatives, He owes Rs.6,00,000/- to suppliers for purchased goods. Despite his severe financial setback, the State Government has granted him only Rs.95,000/- as compensation, which is highly inadequate and does not cover even a fraction of his losses. Thus, he prays before the Commission to intervene into the matter and to ensure fair compensation for his losses.

The perusal of the complaint shows that the shop of the complainant was looted by some miscreants during imposition of curfew and as such he was prevented to take adequate measures to stop the Arson incident.
