Complaint No.122 of 2025
Complainant: Dr. Nilanjan Majumder

ORDER SHEET

SL NO.	DATE	ORDER	NOTE
1.	21/10/2025	Received a complaint from one Nilanjan Majumder addressed to concerned authority, GPT Group with copy to National Medical Commission, Tripura State Medical Council, Chairman, National Human Rights Commission and Chairperson, Tripura Human Rights Commission, Chief Minister, Govt. of Tripura, Secretary, Health, Director, Health Services and some other authorities. The complaint was filed by Dr. Nilanjan Majumder against Dr. Goutam Hazarika. The main allegation was that Dr. Majumder's salary, incentives, retention bonus of Rs. 50,000/- per month for the month of August and September, 2025 were withheld to Dr. Hazarika without written justification. The COO allegedly demanded that the doctor personally pay a deceased patient's pending hospital bill before releasing the dues. Regarding	

		harassment and verbal abuse, it was mentioned that the complainant was being verbally abused, humiliated and mentally harassed by COO and Dr. Hazarika made derogatory comments about his medical competence and mentors. The COO allowed government employed doctors of AGMC to perform duties at ILS Hospital during official hours violating the Tripura Government Notification for the year 2025 prohibiting dual employments. A deceased patient's body was released without clearing hospital duties and the complainant was asked to take the responsibility. Besides, the complainant complained several mental distress due to continuous harassment and unofficial conduct by COO who allegedly runs the hospital as a business monopoly. The complainant stopped attending duties from 14/10/2025 in protest though he has neither resigned nor terminated officially. The reliefs as sought for are that to order for immediate release of salary and benefits to the tune of Rs.1,50,000/- plus unpaid salary for two months and to take action against Dr. Goutam Hazarika for harassment and abuse of the authority and unethical practices and to make an enquiry into dual employment of the government doctors and overall hospital
